Question: Commissioner Denkler

- 1) Is ROW needed
- 2) What year can we expect Ross Road to be widened. Will it incorporate this stretch of Ross Road.

Answer Staff

- 1) Ross Road is in the Austin Strategic Mobility Plan (ASMP) that was adopted by City Council in April 2019. Ross Road is identified as a Level 3, or minor arterial that will provide north-south connectivity and mobility in this quickly-developing area.
- 2) Travis County has funding through their Capital Improvement Program to widen this segment of Ross Road (Pearce Lane to Heine Farm Road) from the existing 2 lane roadway to a 3 lane divided roadway with bike lanes and sidewalks. Construction is anticipated to begin winter 2021.
